

NOM COFFEE AND SMOOTHIES

ONALASKA, WISCONSIN

Located in Onalaska, Wisconsin, NOM Coffee & Smoothies occupies a building adjacent to Great River Residences, bringing a convenient destination for coffee and light fare to the surrounding community.

The façade is clad in **Black Beauty** thin brick in American Imperial size, providing a rich charcoal base that anchors the design. Installed in a traditional running bond, the elongated proportions of the brick emphasize the building's horizontal lines while introducing texture and depth. The dark brick pairs with vertical metal siding above, creating a balanced contrast between natural clay materials and contemporary architectural elements.

The warm rust-colored entrance surround provides a distinctive focal point against the darker façade, drawing visitors toward the main entrance and complementing the bold branding.

This modern building creates an inviting destination that complements the NOM growing community.
