

LOFT13

KRAKÓW, POLAND

LOFT13 is an intimate four-story condominium featuring modern apartments and a distinctive, loft-inspired design. The façade is clad in Bengali Sunrise thin brick from King Klinker, bringing warmth, texture, and natural variation to the exterior. Paired with dark window frames, expansive glazing, and steel accents, the thin brick gives the building a bold contemporary character with an industrial edge.

THIN BRICK BREAKDOWN

Bengali Sunrise | King 3/8" Size
