Formula Fig redefines the skincare experience by creating an escape from the outside world. In this serene retreat, clients enjoy premium skincare. Located in popular neighborhoods, Fig Bars are welcoming and inclusive spaces designed to provide a serene retreat.

The designer of this Formula Fig location has made Green Valley from the King Klinker America Glazed Collection a focal point, crafting a lush green environment that replenishes and rejuvenates you. The design invites clients to step into the tranquil oasis away from the outside world and let the calming ambiance of Green Valley elevate your self-care journey.
