

THAI BETTER AND TACO REGIO'S

OGDEN, UTAH

At King Klinker America, we're grateful to have our White Wash Matte thin brick in King Size featured on the façade of 352 Park Blvd in Ogden, Utah. Designed with clean lines, expansive windows, and a modern neutral palette, the building creates a timeless architectural presence while serving as home to both Thai Better and Taco Regio's.

Our **White Wash Matte** thin brick adds texture, warmth, and contemporary character to the exterior, enhancing the building's inviting atmosphere and strong street presence. Inside, the two restaurants offer distinct dining experiences, from the warm, Thai-inspired details of Thai Better to the vibrant energy of Taco Regio's authentic Mexican cuisine.

We're honored that King Klinker America products could contribute to a project that blends modern architecture, functionality, and community-centered design.
