

**KING
KLINKER**
THIN BRICK

FAMILY PRACTICE

WEST JORDAN, UTAH

The building in West Jordan, Utah features a striking facade clad in **Black Beauty** thin brick in American Imperial size, giving it a classic, professional look suited for a modern healthcare setting.

Designed as a modern multi-tenant medical office, it houses RPT Physical Therapy, Vitae Chiropractic, and Families First Pediatrics. The architecture emphasizes clean lines, a neutral palette, and large windows for natural light, creating an inviting atmosphere. Interiors are planned for efficiency, with dedicated tenant spaces and shared amenities like waiting areas and restrooms.

Conveniently located with ample parking, the building is easily accessible to the surrounding community. Its design reflects a patient-centered approach, blending modern aesthetics with practical functionality, while the thin brick facade ensures a polished, lasting presence.
